

Dear All,

Greetings from Myanmar Airways International!

We would like to provide the recommended name format for booking MAI tickets for Indian & Myanmar nationals with single names respectively.

For Indian nationals, we recommend repeating the first name of the passenger if there is only given name on the passport.

(Indian passports with given name only)

Format: RAHUL (surname) /RAHUL (given name) MR

For Myanmar Nationals, passports generally do not have a first name and surname. Therefore, you have the flexibility to split the name in any format while booking (in case of names with multi-words) or simply repeat the name twice (in case of a single word).

(Myanmar passports with Single word name)

Name on Passport: YIN.

Format: YIN (surname) /YIN (First name) MS

(Myanmar passports with Multi-word names)

Name on Passport: YIN HLAING.

Format: HLAING (surname)/YIN (First name) MS

This will ensure smooth processing of the booking and avoid any discrepancies. For further questions or need assistance with booking tickets for Indian & Myanmar nationals, please do not hesitate to reach out to us.

For further information and bookings, please contact India Representative:
