

Singapore Airlines enhances Premium Economy Class in-flight experience with new dining options and amenity kits

Dear Business Partners,

Singapore Airlines (SIA) on 15Mar2024 unveiled its revamped Premium Economy Class in-flight experience, which includes an improved and expanded selection of food and beverage options, as well as a new amenity kit. These will be available on flights from 31 March 2024.

Premium Economy Class customers will now be offered a glass of *Charles de Cazanove Brut Tradition NV* champagne shortly after take-off. They can peruse a hard copy menu card that lists the wide variety of meal, snack, and beverage options that are available on their flight. Their selected meals will be served on elegant custom-made porcelain Premium Economy Class service ware.

On flights that are at least seven hours long, an all-new *Out of the Woods* amenity kit¹, designed exclusively for Premium Economy Class customers, will also be available.

The revamped Premium Economy Class by Singapore Airlines promises an enhanced in-flight experience with added amenities, increased comfort, and extra personal space. It upholds the airline's commitment to delivering a personalized and world-class service to its valued customers.

For more detailed information regarding the revamped Premium Economy Class please click [here](#).

Kindly disseminate this information to all concern in your agency.

Released by: SIA India (19 March 2024)

¹Amenity kits are available on request on board flights seven hours and above.
